DMR Association Interoperability Certificate
Document 10009
www.dmrassociation.org

Note to readers: This DMR Association Interoperability Certificate documents that the Hytera Communications Co. Ltd product as detailed in Table A below:

TABLE A: DMR Equipment Tested		
Manufacturer	Hytera Communications Co. Ltd	
Model	Hytera DMR Tier III	
Firmware	ID	Version
	1.2.01.002 System	N/A

has successfully passed DMR Association Tier III mandatory and optional interoperability tests defined in the DMR Association test specification document: *Interoperability Testing for DMR Tier III Systems V1.0* on 3 March 2012 with the Tait Limited product referenced in Table B below.

TABLE B: DMR Equipment Tested		
Manufacturer	Tait Limited	
Model	TP9300	
Firmware	ID	Version
	QFD1F_E00_0.08.00.0003	N/A

The DMR Association hereby declares that the product in Table A when tested with the product in Table B passed interoperability test cases set out in the summary test report document: Hytera_Communications_Tait_Tier_III_Interoperability_Test_Summary

The DMR Association hereby declares that the testing took place according to the procedures and in a laboratory meeting the criteria set out in the DMR Association document: *Interoperability Laboratory Recognition Process and Test Session Procedures V_1.02.*

All products belonging to the same model classes, meaning equipment that Hytera Communications Co Ltd / Tait Limited have determined, through engineering analysis or internal functional testing, to be functionally equivalent to the products in Table A and Table B, may be declared interoperable by Hytera Communications Co. Ltd and Tait Limited
