DMR Association Fees

There are two categories of fee for members of the DMR Association, a joining fee and an annual membership fee. Fees are different for different categories of member.

The fees applicable are reviewed and set each year by the MOU members. The Association's budgetary year runs from October 1 to September 30.

For the current year (2023/2024) the membership fees for the categories defined in article 4 of the DMR Association MoU are;

	Joining Fee	Annual Fee
Membership Category 1 Full Members, Manufacturers	€5,000	€0
Membership Category 2 Application Developers, System Integrators, Test Equipment Manufacturers, Test houses	€1,250	€0
Membership Category 3 Users, Regulators and Operators	€0	€0

Annual Fees in 2010/2011 were €1,500 for Category 1 members and €375 for Category 2 members. Annual fees in subsequent years were zero.

The fees above are reviewed each year at the AGM and the association reserves the right to charge annual fees to members in future years.
