THINUX Products in "Model Class" TP-Elite for DMR Interoperability Testing Certificate" Sphere Com Services Private Ltd and Hytera Tier II Certificate".

DMR Association definition of a Model Class (Section1.3.13):**"A group of radios that are manufacturer has determined through engineering analysis or internal functional testing to be functionally equivalent"**.

DMR Association Clarification on Declaration of Model Classes: **"When Test Reports are formally verified by the DMR Association and a certificate of interoperability has been issued or at a later date if appropriate, a manufacturer may declare in a document signed by an authorized representative of the manufacturer, all products that be long to the Model Class of the product tested. All such products are eligible to be stated as interoperable by the manufacturer as if they had been used in the formal test process"**.

Based on the criteria set out by the DMR Association, Sphere Com Services Pvt. Ltd. hereby determines that the following THINUX models are in the same "Model Class" as TP-Elite.

TP-Pro+	TP-EliteB
TP-Pro	TP-EliteP
TP-ProP	TM-Pro
TP-ProB	TM-Elite
TP-Neo	TM-ProB
TP-Neo+
